Sue,

Well I can't believe we had fun classes together this year. We've suffered through everything especially shorthand. I'm glad we've been friends for so long. I know I'll never forget some of the things we've done like wrapping the Matmobile and all the times you snaked the car out and came and got me. Have a great summer and I hope I see you next year!

Love,
Julie

Fight, fight, you Raiders!
Fight for Rider High!
We will shout your praises,
Raiders,
Shout them to the sky!
Black and gold banners
Hold our loyalty.
Fight on, Raiders;

Always on to victory!

Dear S. H. Rider High,
"Stand upright" is our cry.
To learn a loss or victory
For thee we'll always try.

Praise her to the skies.
Bless this, our alma mater,

A black and white photograph of a young man and woman posing outdoors. The man is standing on the left, wearing a light-colored button-down shirt and dark trousers, with his hands clasped in front of him. The woman is sitting on a decorative white bench on the right, wearing a dark, short-sleeved dress. A small, long-haired dog is sitting on the ground between them. The background features a large tree and a wooden fence.

Susie,

I hate this annual signing stuff cause I never know what to write. Anyway, I'm glad we got to the good friends this year. You and Robbie are a lot of fun to go to Six Flags with. We'll have to do that again sometime - Be good this summer cutie & maybe I'll see you - This year's been fun with ya! Love ya'
Vicki

Susie,

Well we're all here in the same boat, so to say, here in Miss Ryle's room. I swear that women must lay in bed at night and think of devilish things to do to us the next day. Maybe if I ask her out, she'll let me graduate (I'm desperate). Well, have a great summer, ~~maybe~~ perhaps I'll see you a graduation. Love ya.
Jon

Susie,
 I can remember you in grade school. You were so cute and
 lovable, and you haven't changed a bit. You are getting
 cuter and more lovable every time I see you. I'm glad I
 had you in at least one of my classes this year. I've
 really had fun in bookkeeping and I wish you didn't
 sit so far away. Have fun this summer. Stay cute and
 sweet.

Love you a lot,
 David

Susie,

It has been a long time since
I took you and Steve, J.P. & Jackie
and Kevin and Geyla to YMCA
so you could go to 6 flags. Remember
that. But it has been good times.
I will always cherish your friendship.
Good luck and God Bless you

Susie, Gassie,

I can't believe this is the last time I'll ever sign your annual. And the last time for so very many things. Susie we've really gotten to be close over the past two years for a number of reasons. (Dusty - H.R. 2 years, typing, Miss Riley, our turn weeks in our new cars) and all the little conversations that we had about Robby and Dusty. Susie I'll never forget you or what you've meant to me since we've been friends. I never forget the Jr. - Sr. Picnic in Sheba's green - peck-up truck. That was such fun. It's gonna be so sad at Graduation so let's always keep in touch and I hope we'll always be the very best of friends. God Bless You, Susie...

Susie,

You little idiot it has been so much fun getting to know you. I hope you stay here this summer because Robbie would die if she couldn't run around with you. I have enjoyed being in Rich these past 3 yrs. and you have been a lot of the fun because you were always so right then to cuss me in the back.

Milky, (Eva Bishop the great!) H.A.

Well, I can't believe it's almost over, we have been waiting for this so long. We have had a few disagreements this year, but over all that we have become so much closer. I love your Granddad & mother & all your family so much, I feel like they are my own family. Please don't forget me next year when you are out tearing up the town. Ok? You can come stay with me all the time & we'll grow in Lubbock! I'll never forget all the fun things we've done like last year getting embarrassed in drill teams & head-resting on the drag, taking pictures at Griffs, riffin' off shoe polish, running down the road by the lake & watchin'... well just WATCHIN! (You know what's, you know what)

Susie, I hope you get everything you want out of life, you really deserve it, thanks for just being there sometimes, you have helped me out so much with all the things you & I have shared with people. (Will show 'em huh?)

God bless you always &
I love ya
Cathy

SUSIE, MOUSIE, Ratso,

I'm sorry I've been mean to you all these
years and it wasn't until before Christmas
that I realized I was a fool to miss
all those Tr-Hi-Y deals. Ha! I'm glad
we finally got to be friends and I
hope we'll be better friends yet. I've always
thought you were

(RESERVE)

Shusie,

You've been an all time friend since the 8th grade, and that's a long time. We've done so many things together & shared a million problems too. Remember 8th grade choir & the pictures at K-Mart, that was so stupid, but I still have those pictures. Remember when we went to Whitesboro & looked at the zoo, your mother tried to up my hair upon top of my head because we had been ~~swimming~~ swimming that afternoon & I had gotten my hair wet, but you wore a swim cap. ^{HA} I also remember that before we got our license we used to go down in the corner with David & Nancy & Anne, that was a lot of fun.

Also don't ever forget your theme song for Captain "Ride Captain Ride" or how you used to wheelbarrow him around & make him sing for us. ^{HA}

I really am glad I've known you for so long because life has been so much simpler with someone else to help carry the weight of your problems & really be able to trust them. I really do think you're beautiful, & that smile of yours is worth a million dollars. I'm gonna miss ya when I move, so please keep in touch. Be good this summer & take care. Love always,
Payla
